Branding

Copywriting

LANGUAGE

English

PROFILE

At the Company, I honed my teamwork skills and proficiency in Microsoft Office Suite, optimizing daily tasks to improve efficiency and reduce staff workload. My expertise in web development enabled me to enhance digital workflows and refine online platforms. With quick adaptability and a strong grasp of industry-specific knowledge, I contributed to innovative problem-solving, increasing team productivity and enhancing project outcomes.

PROJECT

School Management System Web App

Developed a PHP-MySQL web app for CSC Computer Education to manage admissions, courses, and faculty, featuring an admin dashboard, user profiles, and real-time updates, strengthening full-stack development and database skills.
